

Funeral Receptions at The Kendleshire

In uncertain and changing times we have had to re-assess the ways in which we can host all manner of events safely, including funeral receptions.

As per current government guidance we are only allowed to have an event for up to 30 people; social distancing must be adhered to and we as the event venue should be taking additional measures to ensure the safety of all customers and staff.

We are therefore asking that where a funeral reception is to take place the attendees are by 'invite only' so that you as the organiser are able to:-

- supply us with definitive numbers and names of all attendees*
- ascertain how many 'bubbles' there are amongst the attendees*

The first of these steps is so that we can confirm the total number of people in the room is under 28. The second one is so that we can try and set the room up with a suitable number of tables to safely allow for each guest to be seated.

We are using only our Badminton Suite for events currently, a room large enough for 30 guests to be safely spaced out, and our team are well-versed in COVID-safe cleaning regimes, etc. The room is on the first floor and has its own bar, which will be manned, toilets and disabled-accessible lift.

On arrival guests will be welcomed and shown to the room, where coffee and tea will be available from the bar.

Tables will be set up for four people each and the buffet food will already be plated for each place setting.

**Room hire of the
Badminton Suite
for 2 hours**

£100

Plated Buffet.
